Welcome

Call to Worship
Trustworthy God, in the stillness of your constant presence, we offer our prayers and our thanks to you. In humility and sincerity, we gather to worship our God.

You are our Still Centre when all around us is noisy conflict.

Holy God, our hope is in you, as you meet all our needs.

In the quietness and peace of this sacred space, we gather to pray and meditate on God’s Holy Word.

O God, draw near to us, as we draw near to you. Amen.
